

13. Give two examples of the benefits provided by the new advancements in cell phone technology.

14. Quote and explain Patricia Tice's etiquette rule?

15. What baffles Michael Bugeja about texting?

16. How do cell phones provide a negative form of escapism?

17. Choose and explain what is meant by one following quotes:

a. "Social media and tools such as Twitter, she said, are the 'sanctuary of exhibitionists'."

b. "We've lost contemplation, to think through our problems, these are things we have to recapture, you can't legislate them."

18. The article ends with this quote (that didn't fit on my paper):

"Even Jessica Curnes is a little wistful for the past. She sees her 12-year-old sister even more plugged in than she. It's kind of sad to see my sister and friend play Wii for five hours and then get on Twitter," she said. "When I was younger, I knocked on a friend's door and then we walked to the library to look up Leonardo DiCaprio if I wanted to find out about him."

Explain why is Jessica sad for her sister.
