

camp philosophy:

Welcome! It is with great excitement that I invite you to participate in the 27th Annual Born Basketball Camps. My commitment to conducting the best fundamental basketball camp in the state of Iowa is second only to having as much fun as possible. Becoming a Player is hard work, but I believe the game should always remain fun!

While each of the two sessions of camp is different, fundamentals, positive attitude, sportsmanship, teamwork, work ethic and good listening skills are all components of becoming a Player. We focus on these areas significantly as we proceed through the week together. Daily full-court games and contests add excitement to the atmosphere, build confidence and help instill the love of competition.

Players excel during the season, but are developed during the summer. Come join me and my staff as we help you to strive to be the best person and Player you can be!

See you this summer!

Michael J. Born
