

Karen Acres Chorus

Dear Karen Acres 4th and 5th grade families,

Karen Acres Elementary will soon begin its 4th and 5th grade chorus! The purpose of the chorus is to provide upper elementary students an opportunity to perform choral music outside the general music classroom setting. The Karen Acres Chorus is a **free**, extra-curricular activity for any student who chooses to join. 😊

The Karen Acres Chorus will be featured at our Karen Acres 4th and 5th Grade Chorus and 5th Grade Band Concert on January 9th and May 13th at the Urbandale High School Performing Arts Center (PAC).

Rehearsals will be held from 8:00-8:40 A.M. in the music room beginning on **Tuesday, September 19th**. Rehearsals will continue to take place before school each week until the concert in January. Because I am only at Karen Acres on Days 2 and 3, the day of the week will vary. A detailed schedule can be found on the back for your reference. You will want to enter these dates onto your family calendar and post the schedule on your refrigerator!

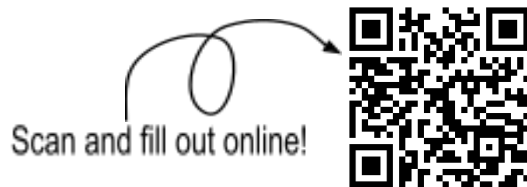

Please encourage your child to join the chorus this season. We will have fun!

Because the Karen Acres Chorus must prepare music in a short time, regular attendance is expected. If your student is ill or will be absent from rehearsal, please notify me in advance by email.

Filling this out online is preferred, but you may also fill out the paper version below. **Please return this permission slip by Friday, September 15th to allow me to be prepared for the correct number of students.** As always, please don't hesitate to call or email me if you have questions.

Musically yours,

Mrs. Voss

Please scan the QR code OR return the paper form by September 15th.

_____ would like to join the Karen Acres Chorus.

(Student's Name)

(Homeroom Teacher)

(Parent/Guardian Signature)

(Parent email)

(Secondary email - if desired)
