

Course Title: **RECESS**

Description: RECESS (Remediation, Career Exploration, Student Support) is an educational opportunity that provides additional support to help students develop positive self-concepts and find academic success. Some needs that permit a student to be considered for RECESS include attendance difficulties, credit deficiencies, delayed graduation, low grades, or personal/family concerns that interfere with school success. Students will be enrolled in a Life skills class to develop personal and social responsibility and to build positive relationships. Study skills support will be provided for the students during study time and students will be given an opportunity to explore and develop career interests.
